

FREDERICK GOLDMAN INC.

Frederick Goldman, Inc.
Stone Vendor Policy

Purpose

The purpose of the policy is to define the process for requesting a new vendor or change to an existing vendor for any vendor supplying stones.

Vendor Requirements

All vendors must confirm to be in support and compliance with both Frederick Goldman, Inc.'s Supply Chain Assessment Policy and Human Rights Policy. All vendors must disclose annually the supply chain, human rights and any environmental certifications. Vendor must follow Kimberly Certification process. Vendor must disclose any treatment changes to stones in accordance to the CIBJO Blue Book.

Forms/Documents Required by Vendor

- Vendor must disclose Kimberly Process certification disclaimer on all invoices

"The diamonds herein invoiced have been purchased from legitimate sources not involved in funding conflict and in compliance with United Nations resolutions. The seller hereby guarantees that these diamonds are conflict free based on personal knowledge and / or written guarantees provided by the supplier of these diamonds"

- Vendor must disclose Natural Origin Disclaimer if Diamonds are untreated vendor must include this statement on invoice

"The diamonds herein invoiced are exclusively of natural origin and untreated based personal knowledge and/or written guarantees provided by the supplier of these diamonds"

- Vendor must disclose any treatments of diamonds as per CIBJO Blue Book guidelines on all invoices
- Vendor Human Rights and Supply Chain Policy (supplied by Vendor)
- Customer Information Form
- Tax Forms
- CIBJO Blue Books
